**NEW: Kangaroo Care for Critically Ill  
Mothers- Presentation by a dying  
mother who survived due to KC**

**New: Cesarean Section Competency in  
Term Infants Skill Lab**

## OBJECTIVES

- ⊙ Describe the history of Kangaroo Care (KC).
- ⊙ Discuss the evidence-based components of the Skin-to-Skin Program.
- ⊙ Discuss short & long-term effects of KC.
- ⊙ Demonstrate application of specialized skills needed to safely implement KC for full-term and preterm infants.
- ⊙ Develop an implementation plan to expand use of KC in participant's home unit/facility.
- ⊙ Explain how implementing KC can be a venue for leadership & research in your quality improvement project plan.
- ⊙ Describe special concerns for late preterm infants that may be moderated with KC.
- ⊙ Describe how KC facilitates breastfeeding.
- ⊙ Identify the rewards of and barriers to implementing KC.
- ⊙ Identify special applications of KC by NNPs and in special care nurseries.
- ⊙ Delineate advantages/responsibilities of being credentialed.
- ⊙ Satisfactorily demonstrate preterm and term newborn skills, including SSC at NSVD/CS birth
